

Coast, seated in Pensacola, Florida. Our Bishop is The Rt. Rev. James Russell Kendrick.

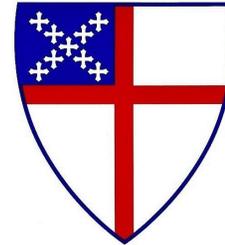

From the days of holding services at Alabama Power Company (nicknamed St. Ready of Kilowatt), Epiphany has progressed through two parish houses, one of which we outgrew before it was finished. A lovely church building was erected in 1968. Beautiful stained glass windows were added later.

Life at Epiphany

Fellowship, sharing and caring are important to our Epiphany family. We have an active Daughters of the King, and Christian Education program. We have a coffee hour after Sunday Worship and try to have one event that involves the entire congregation each month. Epiphany offers strong support to various community groups. The church holds a "Rice and Beans" event where rice and beans are distributed to the needy. In addition to participation in local community activities, members of Epiphany serve on various Diocesan commissions. Along with Ozark, Troy, and Eufaula, we were hosts for the Diocesan Convention in 1988 and 1997. We contribute to the United Thank Offering and Episcopal Relief and Development.

Our invitation to you -

To worship the Lord in the beauty of holiness is a privilege and responsibility of the children of God. At Epiphany Enterprise, we are most fortunate to have a simple, yet beautiful place in which to gather for our primary worship. There is beauty in the appointments, the stained glass windows, and kneelers, but the true beauty is in the atmosphere created by God's stirring Spirit for these many years.

Please consider accepting an invitation to worship with us if your travels take you the Enterprise, Fort Rucker or the surrounding area. The atmosphere, the grand liturgy of our Episcopal Church, the effective combination of the preached word and the holy sacraments, and the majestic music of our organist, combine to provide a worship experience that is comfortable and peaceful. As it is our privilege to worship here, it will also be a privilege to have you as a visitor.

And please consider your responsibility to worship the Lord in the beauty of holiness in your everyday living. Worship is to be a daily

discipline, ascribing to God appreciation and awe for his many gifts and mighty works. Perhaps we spend too much time telling God what to do with our lives and too little time appreciating his presence in our circumstances. The Lord has chosen this world, and you, in which to dwell. Practice the art of awareness of God's presence. Give to him your very life and listen for his clear and abiding voice.

May you be reminded of God's gracious, gentle, and powerful ways. And may the blessing of our God abide with you through our Lord and Savior Jesus Christ.

Yours faithfully,
The Epiphany Family

The grounds of Epiphany hold an inspirational labyrinth for prayer and meditation. Walking from station to station brings you to a central point where you may give praise and reflect before the cross. Prayer cards are available to assist in guiding your thoughts as you proceed.

Mission and Purpose

We seek to share Christ Crucified and God's reconciling love for all through effective ministry, leadership, stewardship and communication.

We are called to:

- provide and to sustain ministries that empower people to share the Good News of God in Christ Jesus
- develop Lay leadership to lead the way of making Christ Jesus known
- proclaim a theology of stewardship that includes sound principles of Christian living involving the whole person (mind, body and spirit)
- offer comfortable refuge and welcoming presence for the military personnel at Fort Rucker
- present a hospitable Episcopal presence through a welcoming congregation and visible community outreach

History

Founded in 1953, Epiphany began with a membership of eight families as a parochial mission of the Church of the Nativity in Dothan. In 1958, it became a Diocesan Mission and was no longer tied to the mother church.

We are part of the Diocese of the Central Gulf
